CLARKE & CLARKE

ALFRESCO INDOOR OUTDOOR WEAVES

Evolving the Alfresco story, Clarke & Clarke introduces its first-ever solution dyed outdoor/indoor weaves collection: Alfresco Weaves.

Picture geometric, tessellating shapes, stripes, and checkerboard plays that feel fresh and timeless, inspired by sunny days out by pool, striped parasols offering shade and geometric tiles of a Sicilian summer. Thoughtfully designed to coordinate and layer with Alfresco fabrics, take the sophisticated style of Clarke & Clarke outside with texture and tactility.

These playful, bold geometric designs are made to feel timeless in style and performance. Designed to fit beautifully for both public and private outdoor/ indoor spaces, for a whole range of upholstery and soft furnishings projects. Think sitting down for lunches on the BBQ on the terrace, lying on an outdoor sofa with a book in hand while reading in the sun. The collection is all about embracing and enjoying the outdoors - whether a garden, or a pool side holiday.

Summer feels eternal with these designs, which feature high light fastness, ensuring colours vibrancy. Chlorine-resistant and water-repellent, Alfresco Weaves are perfect for poolside living.

Designed to thrive in outdoor environments, this collection is highly durable and comes with a Carbon Zero water-repellent, stain-resistant finish, ensuring long-lasting style and performance from these exciting weaves.

KALEIA

Kaleia features a bold, playful abstract design crafted from a beautiful chunky yarn that has a tactile quality. This robust material is perfect for outdoor applications, combining style with durability.
